Forecast for Sunday 19 Feb 2023

Weather: A dry day but rather cloudy, with the highest hills often obscured by cloud. Best chance of brighter conditions and any sunshine likely to be around the middle of the day towards the eastern Brecons. Winds increasing during the afternoon with gales on the tops by late evening.

Chance of cloud-free hill tops above 600m: 40%.

Low cloud and visibility: Fairly extensive cloud above 500m at first, lifting to 600-700m from late morning until mid-afternoon and becoming patchier, with breaks possible in the east. Good visibility outside of cloud, but very poor in hill fog. Cloud becoming extensive above 400m during the evening.
